Thank you very much for the survey.

I found dealing with you very easy and professional.

I will use and recommend you for any further work.

Cheers Scott

Hello Scott,

The boundary pegging for the above was completed on the site visit when we met you. We did find remains of the original peg by the power pole and renewed it.

Please find attached our drawing in PDF (and DWG format for your Designer) for the topographical work which also shows the position of all the pegs placed as requested.

Thank you for the opportunity.

Kind regards

Shyam
