

Dear Shyam,

Thank you very much for the plans as pdf files and for all the work you and your colleagues have done so expediently and efficiently. I would certainly recommend your services to anyone who needed survey work to be done and would not hesitate to contact you for future survey work.

Sorry for the late reply. I do not sit at the computer and access my email very often. I am happy for you to forward the electronic plan copies to Total Span Henderson, if you have not done so already.

Best regards,

Tamara
